Domestic Violence; Awareness,  
Prevention, and Transformation

## What is **DOMESTIC VIOLENCE?**

### 10AM - 12 NOON

There can be life after domestic violence.

Survivors don't have to be defined by this dreadful experience.

Learn from those who have personal experience, and join the conversation about intimate partner violence and the long-lasting impact.

Whether you've experienced this violence or not, let us come together to see how we can support survivors.

### 2PM - 4PM

We will examine domestic violence in real time, identify issues and offer solutions.

A survivor will share a firsthand account from her life and the audience will explore ways in which we could help her.

We will learn about laws that protect victims, as well as resources and services available.

**Cost : \$60 (includes both sessions + lunch )**
